

MAY 3, 2016 RURAL BUSINESS ACCELERATOR!

What would you do with a low interest \$20,000 loan*?

Otero Partners, Inc. is a county loan program that is specifically designed to increase employment in Otero and Las Animas counties. We are looking for qualified businesses to loan money that will result in an increase non-agricultural employment. We are able to help you buy the tooling, equipment, and inventory needed to get more people on payroll.

Free application fee for chamber members!

*With Approved Credit. OPI will set terms of loans based on a review of a complete loan application package. Not all loans will be approved. Loans may not be used for cannabis related businesses.
